

# Risk Management Resources & Services

**Irwin Siegel Agency's Risk Management Division is committed to helping our insureds manage risk and control losses by protecting their organization, staff, and the individuals they serve. Resources include:**

## Video Lending Library

ISA has a large selection of free training videos available for insureds to borrow. They cover topics such as Driver Training, Emergency Preparedness, OSHA, Human Service Field-Related Issues, and Management. To see a full list of videos, visit [rm.siegelagency.com](http://rm.siegelagency.com).

## Safety Bulletins & Posters

ISA's Safety Bulletins cover various safety topics and are designed for use in short, 5-10 minutes training sessions with staff or the people you support. There are a number of different bulletins in the areas of general safety, vehicle safety, and seasonal safety. All safety bulletins and posters can be copied for distribution to staff members.

## Educational Booklets

Our educational booklets can be requested and mailed directly to our customers or printed from our website. These resources cover topics including Wheelchair Safety, Bedbugs, Compliance, Safety Committees, Auto Safety, and more.

## Email Blasts

Stay informed about risk management resources and field-related news with updates from us via email that provide timely, pertinent information to help with your agency's operations.

## On-Site Consultative Services

ISA continually strives to meet the needs of our insureds. We orchestrate on-site consultative services from our network based on your organization's needs, then develop a support plan to help minimize losses and keep your employees and the people you support safe.

**Call 800.622.8272 or visit [rm.siegelagency.com](http://rm.siegelagency.com) for more information on these and other Risk Management Services.**

## Shield Screening - Professional Background Screening

Shield Screening is a background screening company accredited by the National Association of Professional Background Screeners (NAPBS) that provides quick, easy, and customizable screening solutions to clients nationwide with 24/7 live customer support. Visit [shieldscreening.com](https://shieldscreening.com) to see more.

## Driver's Alert - Vehicle Monitoring

Driver's Alert offers a free vehicle monitoring program to ISA insureds. "How Am I Driving?" decals are provided, and management is notified and given recommendations for corrective and/or preventative actions when incidents are reported.

## Praesidium - Abuse Prevention

Praesidium, the leading provider in abuse risk management, has made its services available to ISA insureds at a discount or free. Services include background checks, a toll-free abuse prevention hotline, Armatus online abuse training, and more.

## IntellectAbility - Tools and Training for Person-Centered Support

IntellectAbility courses are designed to increase the competence of direct support professionals in the areas of *The Fatal Five* and associated risks to reduce adverse outcomes related to these health issues.

## HSI Encompass - "The Innovation of Integration"

ISA has collaborated with HSI to provide our insureds with a free customizable learning platform to create location settings and track online training assignments. Available video categories include:

- Driving Safety
- Accidents/Incidents
- Fire Safety
- Sexual Harassment
- Personal Protection Equipment (PPE)
- Heat Stress
- Health Hazards
- Ergonomics
- Hazard Communication
- Safety Awareness
- Workplace Safety

## StreamLabs, Inc. - Water Leak Detection

StreamLabs, an Internet of Things (IoT) water sensor solution, is designed to help reduce the risk of water damage and freezing pipes by implementing sensors that monitor water presence and temperature fluctuations.
